A close-up portrait of a man from the chest up. He has a pale, aged face with deep-set eyes and a thin mustache. He wears a voluminous red turban or headwrap that is draped over his head and shoulders. The lighting is dramatic, coming from the upper left, which casts deep shadows on the right side of his face and neck. The background is dark and indistinct.

Samen aan
de slag!

A large group of approximately 20 people, mostly older adults, are sitting on a set of concrete steps outdoors under a clear blue sky. They are all smiling and waving their hands in the air. Some are standing in the back rows, while others are sitting in the front. The people are dressed in casual clothing like t-shirts, jeans, and jackets. In the background, there's a red brick building and a yellow spherical object on a pole.
